

The Lord's Prayer

(As presented by Robert and Zeljka)

Father-Mother ONE, who art in Heaven
and within our Eternal Hearts.

I praise Your Creations.

Thy Kingdom Come, Now and Forever.

As It Is in Heaven and as It Is within me,
here On Earth.

Give me this moment, Your gifts of Life
as my nourishment,

And Empower me to rise above the
cause of forgiveness,

As I Learn to forgive those who do not
yet understand.

And Lead me into Your realms of the
good and beautiful,

For now,

I have attained the Knowledge of Life.

I AM in the Kingdom of Your Wisdom.

I AM the Power of Creation,

I AM in the Glory of Your Unconditional
Love.

I AM

And So IT IS!
